We sure have had a lot of fun in Horizon this year. Next year I hope we'll be able to have a lot more.

We had some good laughs in ole man Lyndsay's class even if he didn't like us to have conversation between us.

Maybe we will get in some classes together next year.

Lots of luck to a real swell girl.

INTERPRETERS AND GUIDES

Along

Yuma Union High School is more than just the present student body, teachers, employees, buildings and grounds. It is much greater than that.

Yuma Union High School is the present student body plus all men and women who have passed through its doors since the opening of school in September 1909, all teachers who have taught the pupils, all board members who have deliberated around the council table, all those who have swept its floors, banked its fires, steered its buses, stacked its books, served its food, wrote the letters, filed the cards and guided it over the years.

As you travel through the pages of the 1955 El Saguaro you should become acquainted with the real Yuma Union High School, its traditions, customs and meaning, as it has evolved over the past 46 years.

Very sincerely yours,
A. D. ABBOTT,
Superintendent of Schools

Headed by C. D. Miller, the Board of Education, the adult governing body of YUHS, has ably guided through the 1955 school year.

Mrs. Winnie Carr manages the student accounts, while Mrs. Beverly Zeige!mair is the School Board Bookkeeper. Mrs. Arah Seamans and Mrs. Edna Mieger are secretaries to the Superintendent. Mrs. Lois Beeler is the Book Store Manager.

Mr. John Allen, Director of Visual Aids and Guidance Counselor, has helped many students with his words of advice.

Miss Virginia Klaenhammer, nurse and counselor, has a busy time trying to cure students' real and imaginary ailments.

Out In Front

YUHS Traffic Signal—flashing stop, go, and caution on student activities, the student council, under the able direction of Rudy Araza, Student Council President and the supervision of Mr. C. Hutchison, has contributed greatly to the success of the 1955 trip. Left to right: Kent Butler, Lynn Curry, Maggie Barrientos, Connie Robinson, Ginny Copple, Olivia Gonzales, Rudy Araza, Tommy Cole, Mr. Hutchison, Dale Snailum, Jo Ann Doering, Gordon Storjohann and Don Fisher.

Deanna Loo, Girls' League President.

Working together to promote the general welfare of all girls in YUHS, the Girls' League has highlighted this year's activities with their terrific Girls League Convention, Bow and Sucker Day, the annual Mothers' Day Tea, and Twirp Season.

Miss White, Mrs. Haughtelin, Miss Foster and Mrs. Leonard were the sponsers for 1954-55. They were aided by these capable officers:

President	DEANNA LOO
Vice-President	LOIS DU BOIS
Secretary	SUE GASTAUER
Treasurer	LYNN CURRY
Student Council Representative	MAGGIE BARRIENTOS
Program Chairman	JOYCE ENGLER
Publicity Chairman	SANDRA KORNEGAY

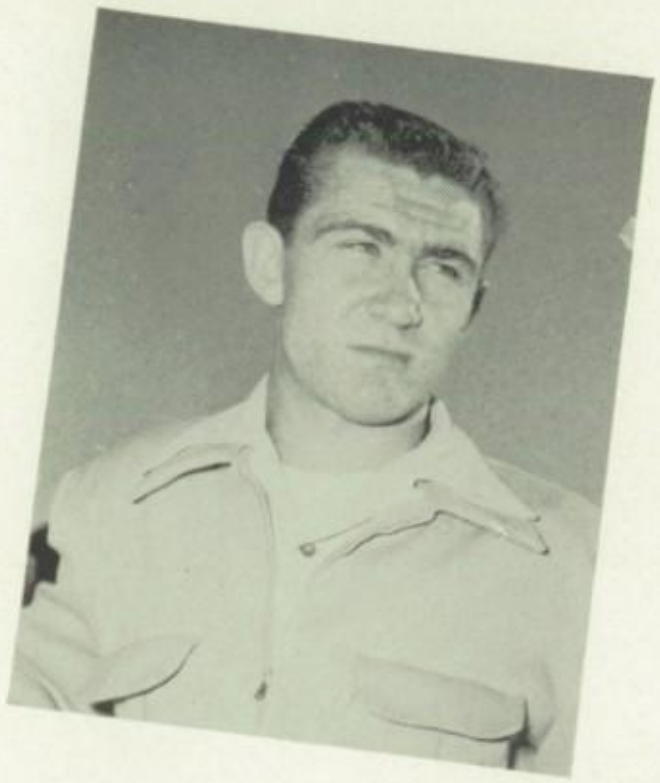
Service Chairman	BETSY SHIPLEY
Friendship Chairman	PATSY McALPIN
Senior Representative	CONNIE ROBINSON
Junior Representative	JUDY HIGHTOWER
Sophomore Representative	MARY VASQUEZ
Freshman Representative	JO ANN AMAVISCA



Pete Haney, Associated Men's Students President.

ASSOCIATED MEN STUDENTS

The Associated Men Students is an organization for all male students of Yuma Union High School. Upon entering high school all boys automatically become members. With the help and guidance of Mr. J. Solakiewicz, A. Pagono, R. Groves and E. Brindley the A. M. S. put on their annual all-school dance. Their "talent show" was one of the highlights of the school year.

The officers for this year were: Pete Haney, president; Jack Storjohann, vice president; Bob Coston, secretary; and Kent Butler, Student Council representative.

Signs of Significance

Signs of Significance—the Seniors of 1955—the fulfillment of four years of hard work, fun and accomplishments. With regret we leave YUHS and its many memories. Senior activities started with the Class Play, cooled off on Ditch Day in the Laguna Mountains, and whirled to a dreamy climax at the Junior-Senior Prom.

Sponsored by Arden Ewing and Winifred Leonard and led by their class officers, the seniors of '55 had a very successful year. The officers for the year were: Ronnie Harper, president; Fred Joyner, vice president; Sandra Kornegay, secretary; and Connie Robinson, Student Council representative.

"Beauty Marks" Along The

Representative of the beauty on the YUHS campus—Mary Louise and her court dazzled an appreciative audience at the Yuma-West High Homecoming Game. Queen Mary was crowned by "the" man in her life, Rudy Araza, captain of the football team, and he was assisted by Tommy Cole. Queen Mary reigned in splendor at the football dance which followed.

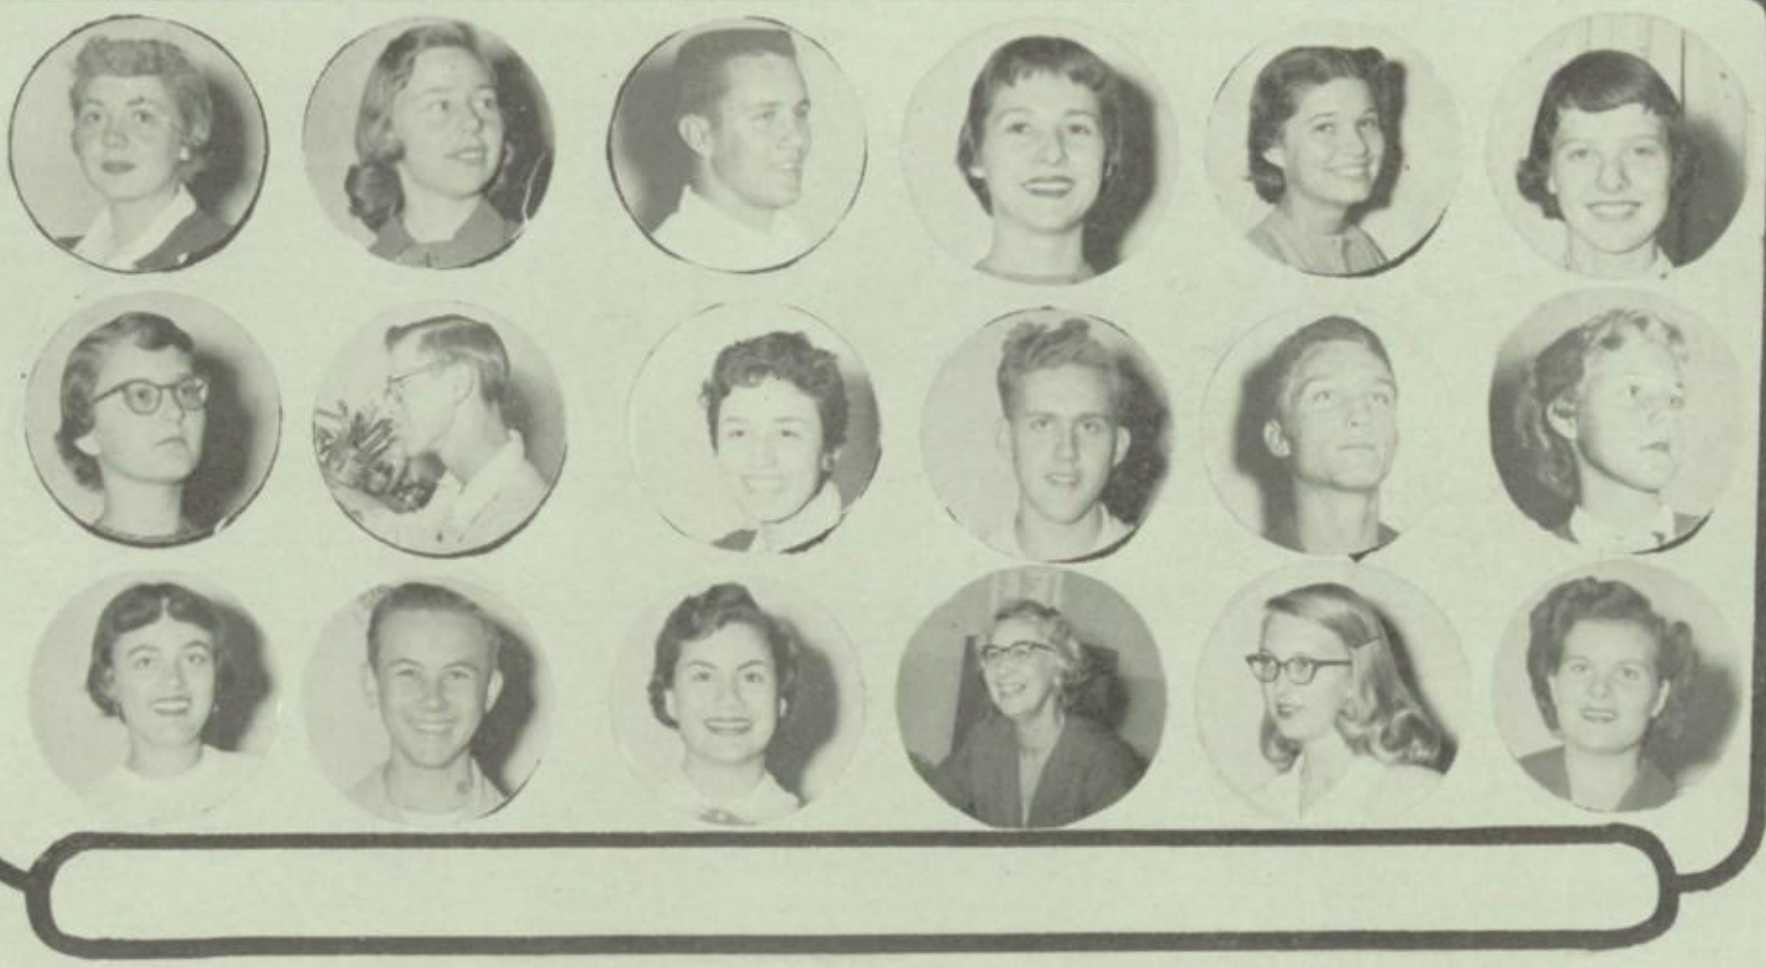
EL Saguaro Staff



The "Keys" above may be battered and bent, but they can still smile—the grins belong to the 1955 El Saguaro staff—including those who came and went within the year.

Top row left to right are: Connie Robinson, advertising manager; Betsy Shipley, sports editor; Bill Worrell, editor first semester; Gail Beeson, editor second semester; Donna Smith, assistant editor; Buffie McCaig, business manager. **Second row left to right are:** Carol Jones, assistant advertising manager; Don Carr, first semester sports editor; Isobel Ortega, artist; Paul Yeast, photographer; Bob Spenser, photographer; Karen Kettunen, artist. **Third row left to right are:** Sandra Kornegay, copywriter; Vernon Gunckel, copywriter; Laura Hankin, copywriter; Mrs. Sophia Bramhall, advisor; Kathleen Westin, copywriter, and Pat Woods, typist

Captions and Copy

Do you aspire to be a journalist? Tarry a while and bend an ear. Our advisor, Mrs. E. L. Bramhall, has grayer hair—hadn't you noticed? Occupational hazards. Gail Beeson, our editor, paces the floor muttering "Where in the heck did I see that page." Connie Robinson and Carol Jones, ad managers, were seen rushing people to stores for pictures, only to find out they were minus a camera. Sandra Kornegay, Vernon Gunckle, Vernon Gunckel, Kathleen Weston and Laura Hankin, copywriters, were seen talking to themselves quite frequently. Donna Smith, assistant editor, had the job of cutting the pictures to size, notice some of the teachers with their new flat tops. Betsy Shipley, sports editor, spent many a happy day conversing with the athletes and the coaches. Isabel Ortega and Karen Kettunen, our artists, were drawing little "Crims" in their sleep. Paul Yeast, photographer, was heard saying, "My gosh, no film." Last but not least, Buffie McCaig, business mgr., had as her by-line: "Oh, please, buy an annual."

Seriously, though, our work was a labor of love—and we enjoyed every minute of it — we hope you enjoy your 1955 El Saguaro.

Headlines

"ALWAYS RISING, NEVER FALLING" — is the slogan of the Thermometer staff. Our school paper kept us well informed about all the happenings around the YUHS campus — complete with pictures. From that first football game to Commencement, they were there with notebook in hand for the "scoop."

As deadlines drew near, worried looks increased. "Where's that story—haven't you proofread it yet?" The worries were worth it, their job was well done and each issue was eagerly awaited by the student body.

Wayne Stedman, Editor

Jean Bell, Business Mgr.

Joel Montalvo, Sports Editor

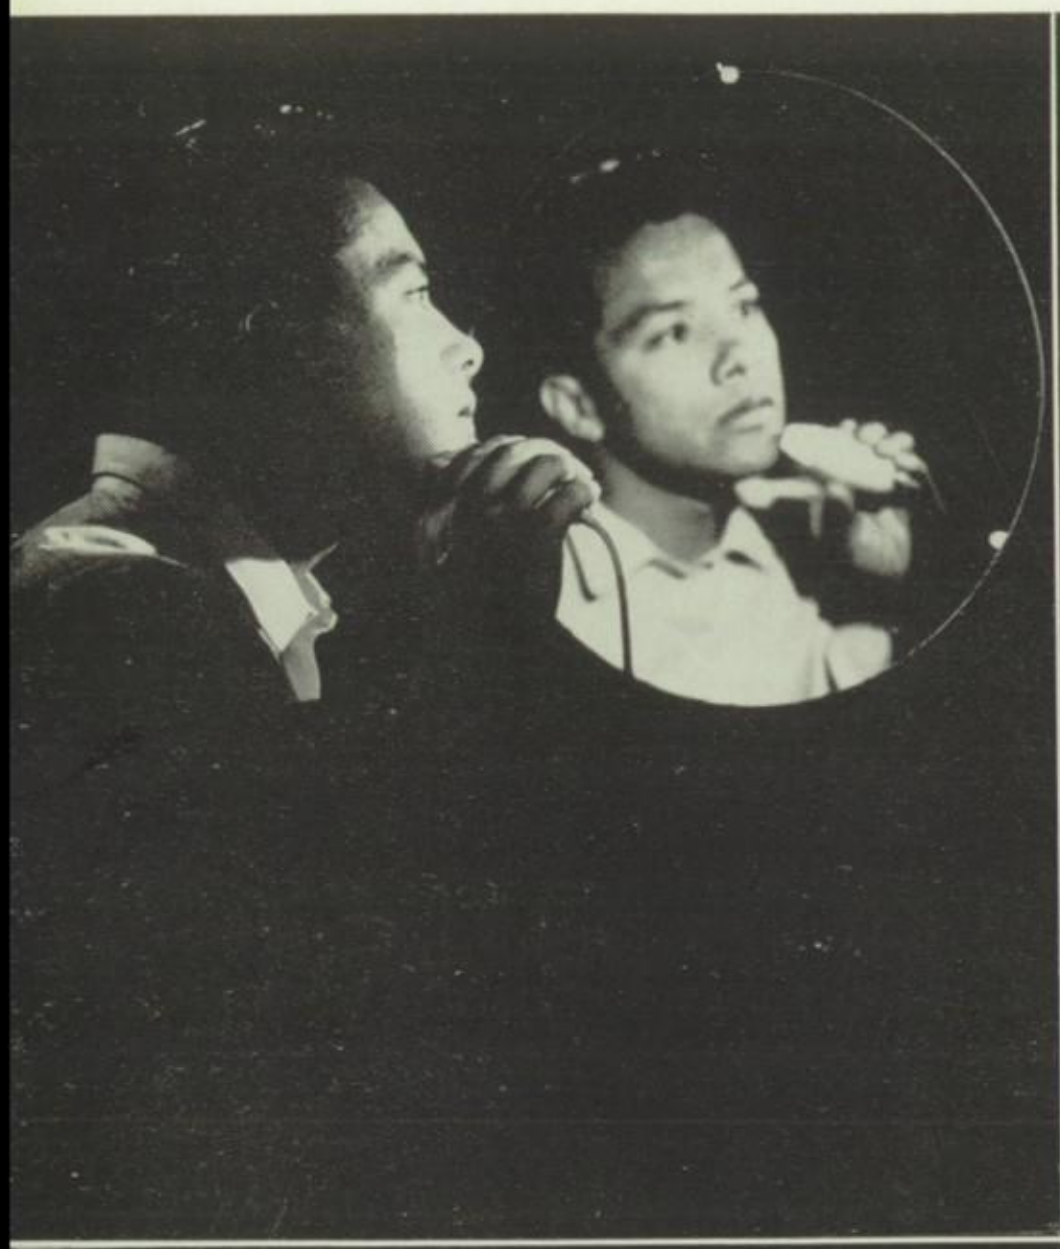
Mr. Miller, Advisor

And By-Lines

The heat may be on at times, but we think you'll agree the Thermometer Staff is a pretty "cool" group. Mr. Miller, the faculty advisor, keeps a wary eye on the three in front—Dick Inman, Jack Bess and Dave Alspach. Seated at the table are Tina Denton, Virginia Gonzales, Jean Bell, Wayne Stedman and Mary Smith. In the back row — JoAnn Doering, Pay Mayo, Joel Montalvo, Yvette Dorez, Ken Hughes, Mary Ellen Bobersky.

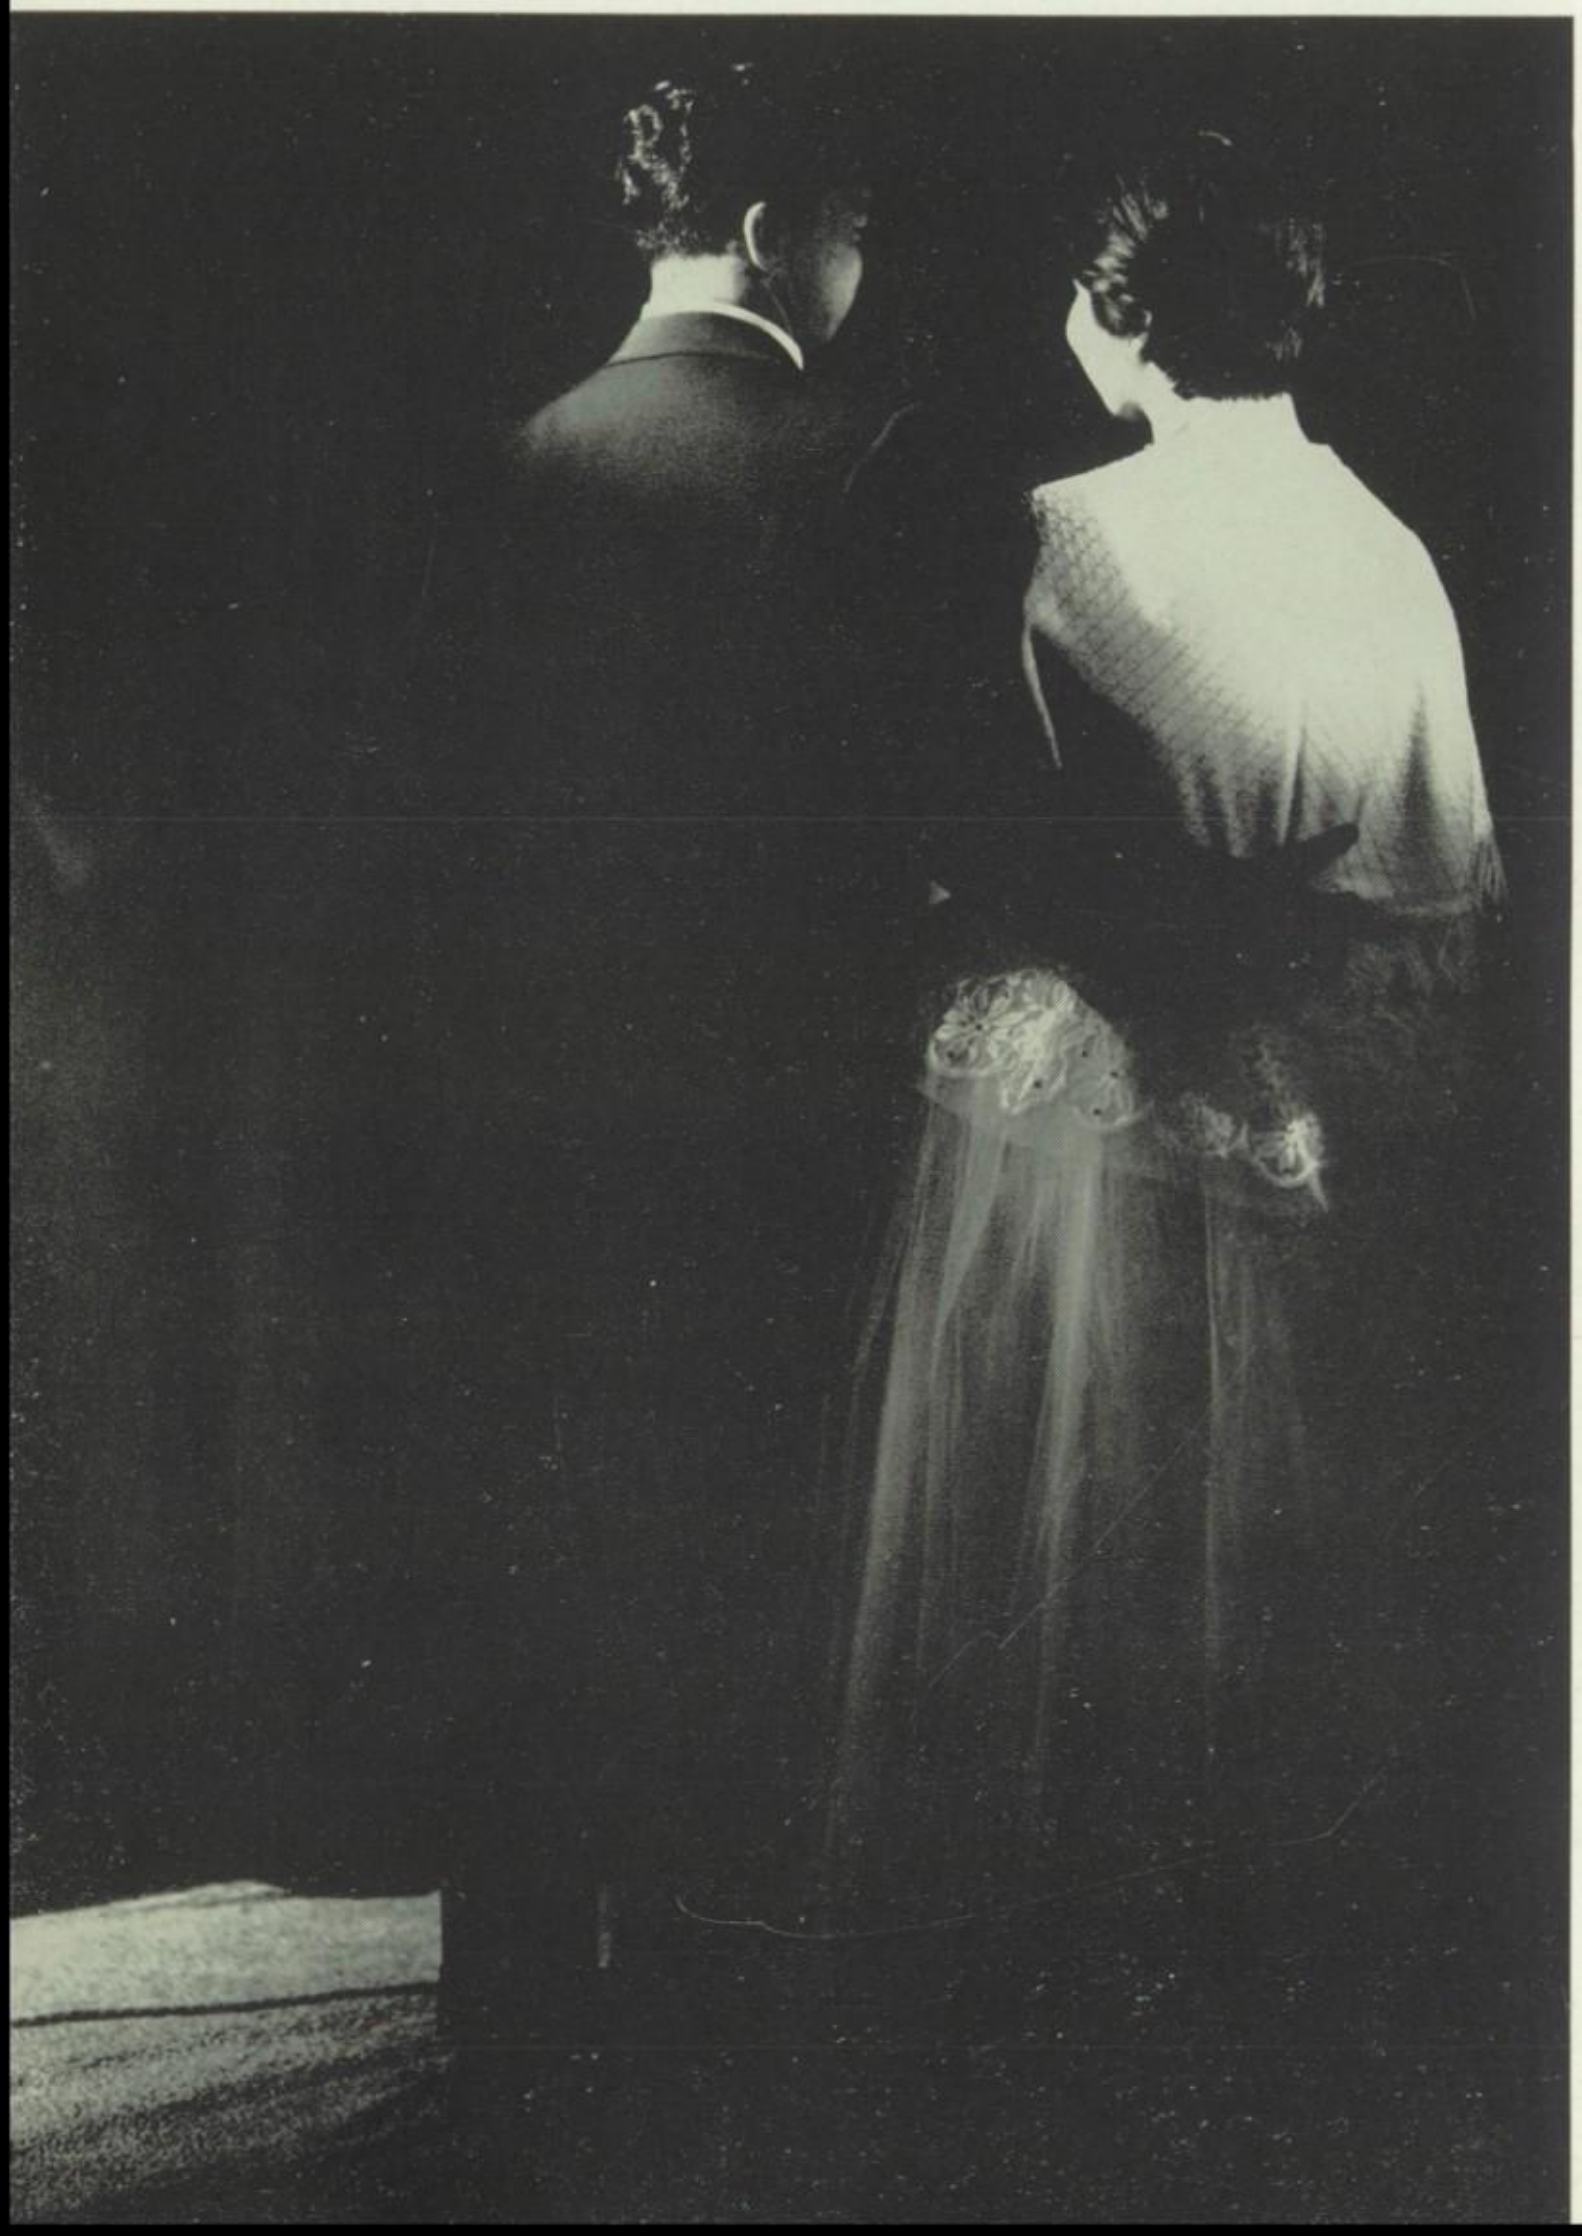
"When Dreams

Beautiful dresses, pretty girls, smartly dressed boys—these are "what dreams are made of." The 1955 Junior-Senior Prom is a night to remember. Held at the Yuma Country Club, "Vienna" became "the city of our dreams." Tables for two, cabaret style, candlelight and flowers, slow dreamy music, set the scene.



Become Realities"

"Dream, Dream, Dream—from 9 to 1. The Prom-goers did just that. Music to put them "in the mood" was imported from San Diego. For the Seniors this was the last big dance of their high school days. The final strains of "Goodnight Sweetheart" brought many a misty eye. Thanks to the Juniors for a truly wonderful Prom.



"Abra-Cadabra 'Crack' — that is all it took to ruin the hat."

"What's that knocking?"
"That's my heart," says Bob

"It certainly is warm in here"

"A Case of Springtime"

"A Case of Springtime," the Senior Class Play, was presented to a capacity house in Snider Auditorium.

The action centered around the antics of Bob Parker, a "typical" teenager. The setting for the play was the Parker home. Bob's little brother, Dickie, a muscle building enthusiast, managed to complicate things by planning revenge on Bob's girlfriend, Joan Abernaker. Between bouts with local police, things managed to turn out all right. Bob had a basement full of chinchillas, a very prosperous passtime.

The cast under the direction of Warren Conrad did a professional job.

"Let me go 'lover'."

"I'm here, you lucky people."

"Watch out, Mrs. Mason."

"Men Are Like Street Cars"

"Men are Like Street Cars," if you miss one there's sure to be another along soon. This was the phylosophy of Maudie the scheeming 16-year-old in the Junior Class Play presented in Snider Auditorium.

Yes, we all met Maudie, frontless of shape, backless of dress, sideways of glance, and forever getting her friends and family in trouble.

Some of it was hilarious, some of it shrewd and all of it quite true.

Congratulations, Juniors, for the fine performance. Orchids to you, Mr. Johnson, for your capable directing.

Double Feature

"Couldn't I Kiss You Goodnight?" and "Nine Girls" were doublebilled for a double thrill performance. The Drama Club casts, coached by Mr. Bill Brennan and Mrs. Frances O'Sullivan presents prime entertainment, gay and lighthearted, to a capacity audience in the YUHS Auditorium

Martha

One of the melodic highlights of the YUHS musical year, "Martha" brought glamor and romance to its enthusiastic audience.

Beautifully costumed and expertly coached by Mr. Bob Frazier, the talented performers presented the operetta with professional aplomb.

From The Strains of Bach

The shades of Bach and Beethoven sleep peacefully, proud of the work and polish of the Yuma Union High School Orchestra.

The musicians entertained, royally, a capacity audience before the Senior Class Play. Their performance before the Junior Class Play is well-remembered.

These fine musicians under the capable direction of Mr. A. E. Havens made 1954-55 a memorable musical year.

To A Rousing Fight On"

"The drums go bang, the cymbals clang, and the horns all blaze away"—the 1954-55 YUHS Band.

Under the distinctive direction of Bandmaster A. E. Havens, the YUHS Band was again a top-notch organization. Taking part in many activities, they are busy from September through May. In addition to providing music at all football and basketball games, they perform in many civic affairs as well as local parades.

This year, as in the past, they competed very successfully with other school bands at the Southern California Music Festival, and also put on their annual concert in the YUHS Auditorium.

Hard working, and polished, their performances are a credit to the high school music world.

ART CLUB

One of the newer clubs on the YUHS scene is the Art Club. The "artists" have done a job worthy of a veteran club. Their float in the Silver Spur Rodeo parade is well remembered.

Sponsoring the "Beaux Arts Ball," a fun-packed masquerade, was another of their activities.

The National Honor Society members are students outstanding in scholarship, leadership, citizenship and character. The aims of the group are to promote interest in higher education and to give service to the school and community. They have a service activity each year and for 1955 their project was informative talks to the Freshmen on YUHS activities. New members were installed in an impressive ceremony at an all-school assembly.

Officers for the past year were: Fred Joyner, president; Marilyn Carisle vice president; Pam Stanley, secretary, and Mrs. Leah Forsman, faculty advisor.

The Latin Club, a nationally affiliated group furthering appreciation of ancient Greek and Roman cultures, is composed of Latin students maintaining a "3" or better scholastic average.

Highlighting the year was the Saturnalia Banquet of Roman dress and customs, held prior to the Christmas holidays. Diners enter the YUHS cafetorium in costumes of 2,000 years ago, to be seated by slaves and fed food of the ancient Romans. New members are slaves and present entertaining skits for the appreciation of old members.

In addition to an all-school assembly and the annual Sunrise Breakfast, the "Romans" planned an entry in the Silver Spur Rodeo and sponsored an after-game dance.

Knowledge To Use

Junior and Senior FHA—these are the Future Homemakers of America —divided into two groups dependent upon the completion of their first project.

They have had a busy year. The State District Convention was held in Yuma this year. Our Yuma girls did a bang-up job representing our school to their all-state visitors.

Their annual Sweetheart Cookie Sale was a tremendous success. Real cooks—and appreciated too.

And Tomorrow

Future Farmers of America is the development of agricultural leadership, co-operation, and citizenship.

They believe that to live and work on a good farm is pleasant as well as challenging; for they know the joys and discomforts of farm life and hold an inborn fondness for those associations which, even in hours of discouragement, they cannot deny.

Officers for this year were: Thom Blohm, president; Charles Baldwin, vice president; Jim Tench, recorder; Vern Broadway, secretary; Kent Butler, treasurer.

"Keyed" To The Future

Leaders of tomorrow—these are the Key Clubbers. The club's membership is devoted to those boys who have shown outstanding leadership. At the homecoming football game they sold coffee to the "cold" spectators.

The Kiwanis, their sponsoring organization, and the "Keys" did a bang-up job on the Kiwanis Carnival. They sponsored an after-the-game-dance that was enjoyed by all. Mr. Jim Eaton was the Key Club faculty advisor. He was assisted by:

Jim Rolle, president

Favil West, secretary

ANCHOR CLUB

The Anchor Club, a service organization for girls of Yuma Union High School, is sponsored by the Pilot Club of Yuma, a service club for women. Objectives of the club are to develop initiative and leadership, to work with the principal of the school, to serve the school and community, and prepare for useful citizenship. The group honored new members at a dinner in October, and also sponsored an all-school dance. In early spring the members had a picnic to which they invited guests.

Officers for the past year were: Susie Curry, president; Amanda Araza, vice president; and Janet Matts, secretary.

Members of the board of directors were: Neta Loo, Deanna Loo and Gloria Magdaleno. Mrs. M. Saunders was faculty advisor for this past year.

"Dangerous Curves"

"Danger—Curves Ahead"—this holds true for the YUHS Modeling Club.

One of the most remembered events of the 1954-55 school year was their initiation, reminiscent of the "gay 20's." Oh, those daring flappers! The Modeling Club assembly, one of the final assemblies of the year, was enjoyed by students and faculty alike.

Under the guidance of Miss Avis Hall, the "merry models" had a busy year. Assisting Miss Hall were these officers:

Connie Robinson, president
Tan Que, vice president
Laura Hankin, secretary-treasurer

Row 1: Mary Louise Guterriez, Tan Que, Connie Robinson, Laura Hankin, JoAnn Doering.

Initiation in it's extreme form.

Toss A Line

Baiting their hooks, casting a line, the Fishermen's Club of YUHS had a very active year.

"Fishermen" and guests enjoyed a day in the Laguna Mountains in the snow. The annual project of the Fishermen's Club was the painting of their boat. This event took place at Laguna Dam. The Fishermen sponsored a dance that was thoroughly enjoyed by the "Crims."

Officers for the 1954-55 school year were:

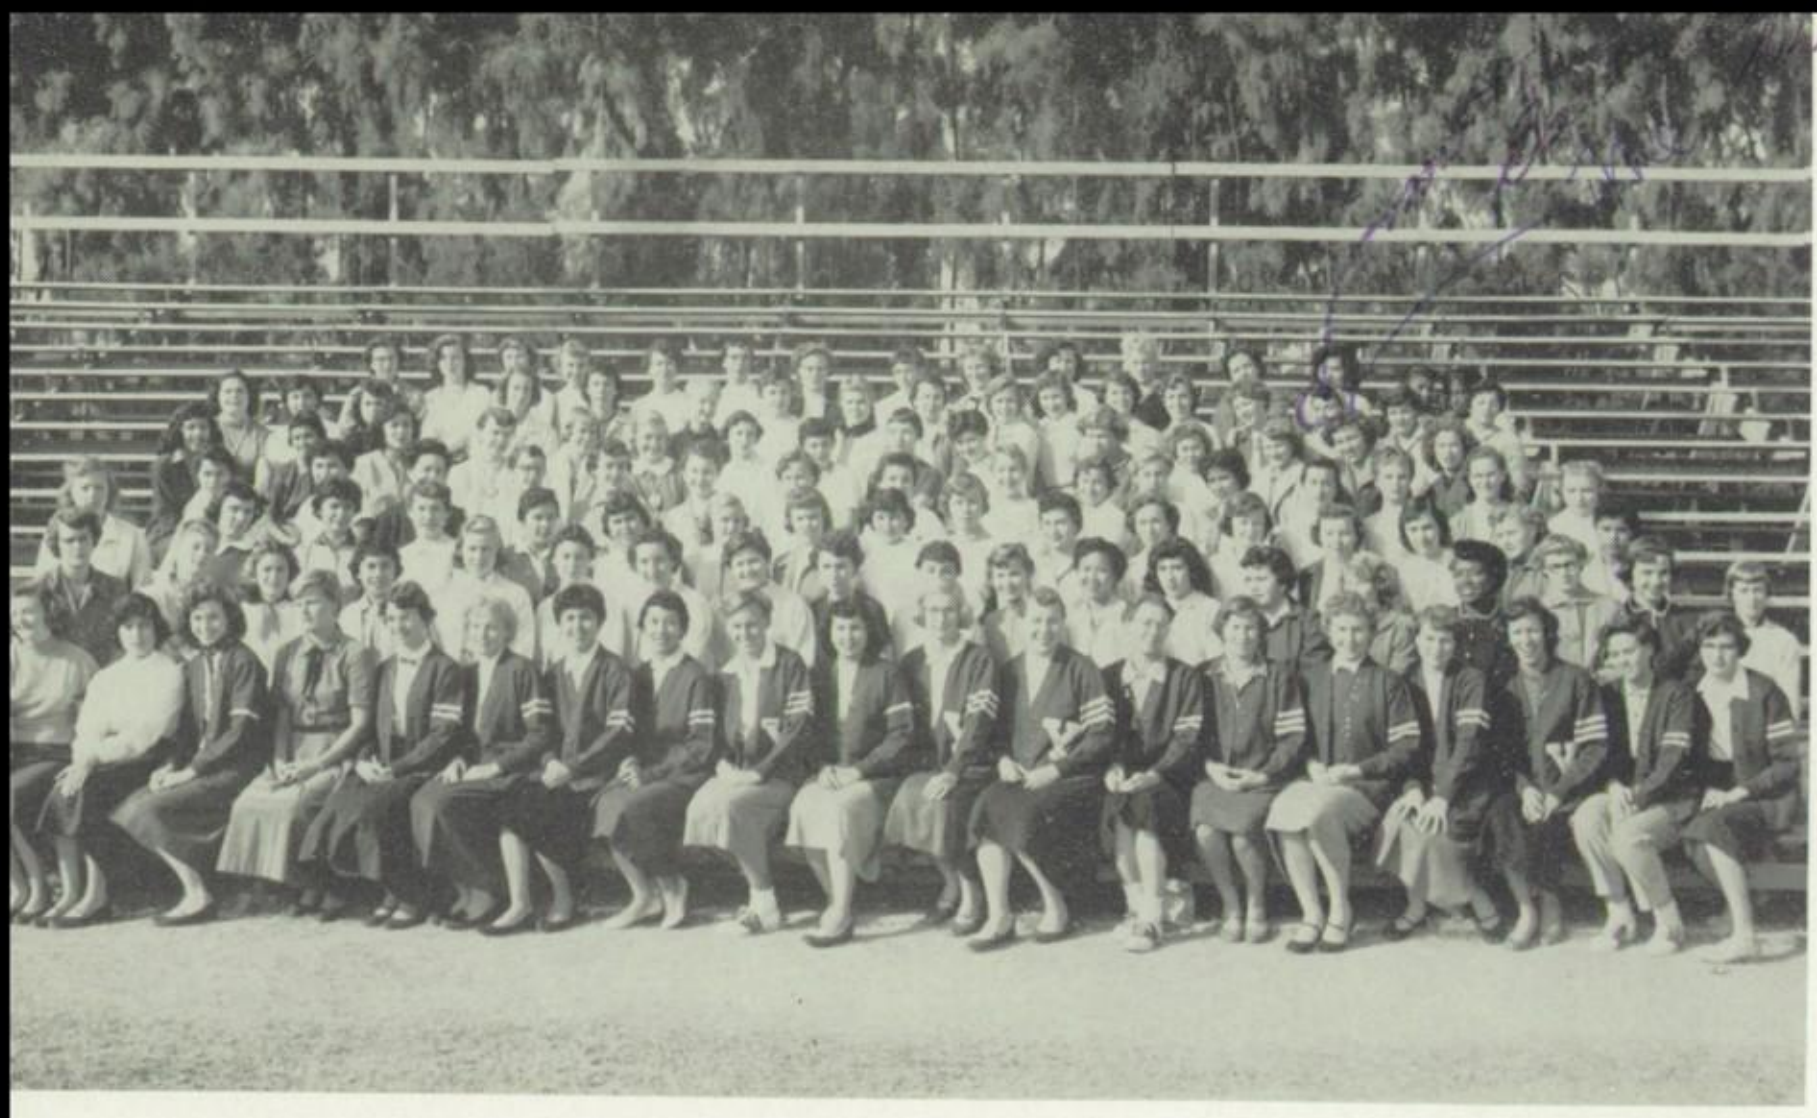
To The Wearers



Of The "Y"

Girls in the GAA are proud of their blue Award Sweaters. These sweaters are a symbol of hard work and fun in sports. To earn a "Y" a girl must have 1,000 points given in P. E. classes.

The girls uncovered their hidden talent in an All-Girl Follies "Mother Goose." In this very successful show the girls danced, sang, and acted.

1955 officers were: Lois Du Bois, president; Mary Louise Gutierrez, Amanda Araza, secretary; and Blanche Whaley, treasurer. Miss McDonald, faculty advisor.

Musicians

Many of the members of the talented and well-trained YUHS Band, under the capable direction and sponsorship of Mr. A. E. Havens, have the opportunity of belonging to the Lyres Club. All band students automatically obtain membership by playing in the band for one full football season. The instrumentalists receive a Lyre emblem to place on their sweaters, and for each year they play in the band, they receive a star to wear on their sweater sleeves. When a student has played for four years he receives a Senior pin.

Serving as officers during 1955 were: Scott Hazen, president; Fred Joyner, vice president; Melba Elrod, secretary; Betty Smith, treasurer; Marilyn Carlisle, librarian. Their after-school fun this year included a pot-luck picnic, and an all-school parent dance.

And Scientists

"Don't let it explode, we're too young!" One of the newer clubs on the campus, the Science Club, has had a busy year. They sponsored the Science Fair which was a big success. The Wardens Club—the keepers of the Criminals. This group is composed of those students who have won 14 or more all-school award points and who have a three average. Their purpose is to assist and promote school activities.

These busy club members could be seen behind the concession at the home football games. During rodeo week they could be seen chasing violators of the Western Clothes rule.

The Warden's Banquet, honoring the YUHS Varsity lettermen, was one of the most outstanding events of the year. They also entered a prize-winning float in the Silver Spur Rodeo parade.

Yuma Union High School's chapter of the International Honorary Society of High School Journalists, Quill and Scroll, was re-organized this year under the presidency of Wayne Stedman. Other officers were: Yoette Dorez, vice president and Mary Ellen Bobersky, secretary. The traditional Quill and Scroll banquet topped the high school journalism year. At their second annual "Ink-Slingers' Ball" annuals were distributed and signed.

"Cue'd" To Greasepaint

"Curtain going up" might well be the slogan of the YUHS Drama Club. Their two plays "Couldn't I Kiss You Goodnight?" and "Nine Girls" drew a capacity crowd in Snyder Auditorium

The dramatists under the faculty guidance of Mr. Bill Brennan had a very successful year. The officers for 1955 were: George Koenigs, president, Billie Nelson, vice president, and John Crowner, secretary-treasurer.

From that first smell of grease paint to the last curtain they did a splendid job. May all their performances be "S. R. O."

"To be, or not to be, that is the question." So say the members of national Thespians.

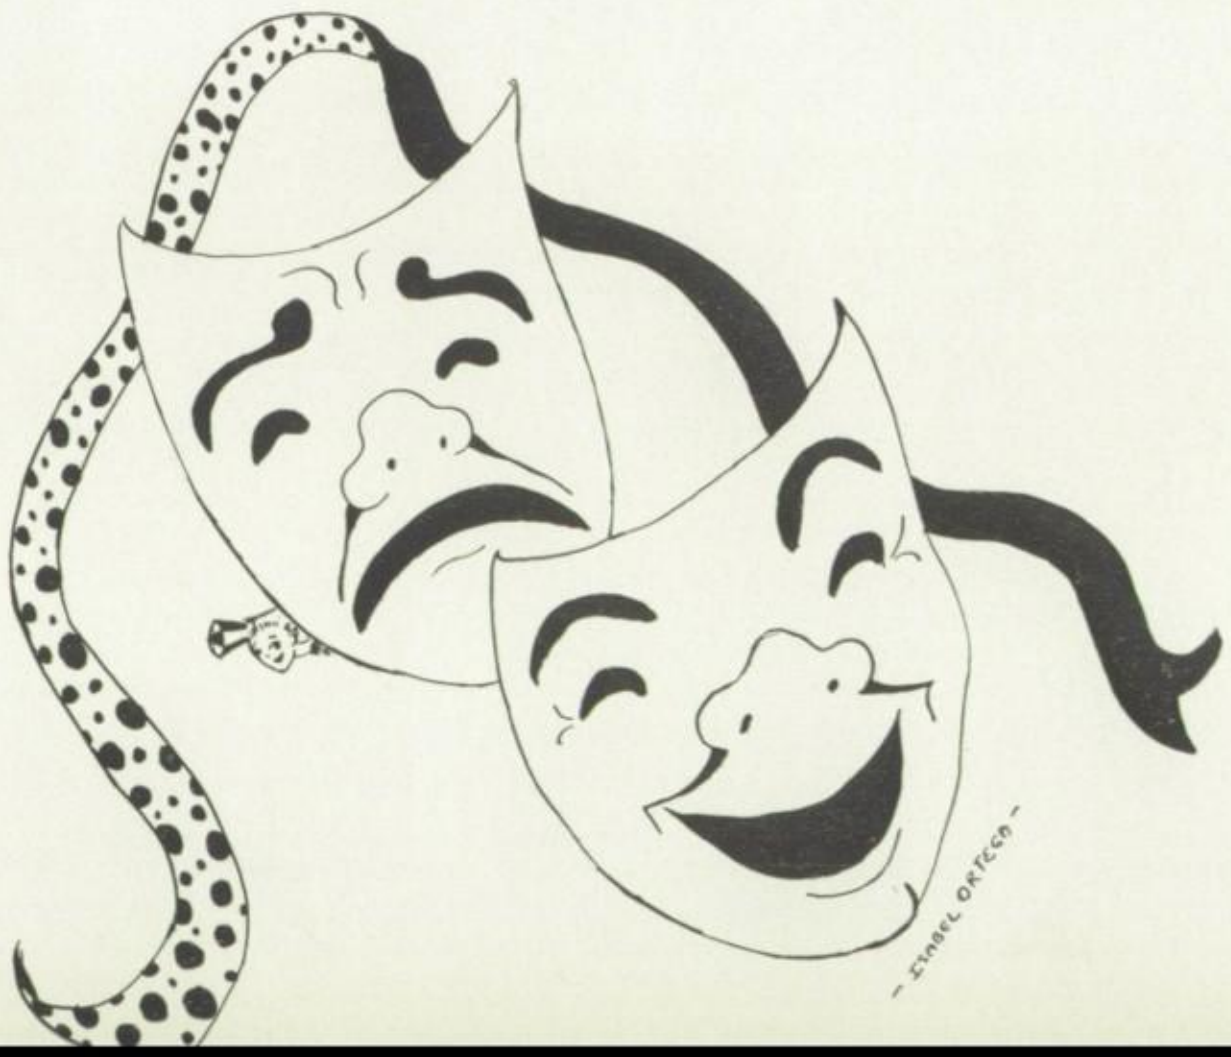
And To Floodlights



For band-aids or thermometers, the nurses staff was a help to the sick and wounded of YUHS.

These are the "pick-ups" of YUHS, absence slip pick-ups that is. A swell job they did too.

The Business office help were Elaine Lovett, Wila Pruitt, and "Ginny" Copple.

Keeping our school in top shape were our janitors. Thanks go to left to right, **Row 1:** Mike Orta, Louie Rumpf, **Row 2:** Charles Loback, Eddie Perez, Henry Hodges, Calvin Gray.

No "Sunday Drivers," are our bus drivers. They got us to school safe and sound every day. Our hats are off to you, Thanks!

"That will be 2c please."
Familiar? Thanks to Mrs. Olson and her staff for their help.

For 175 days of this year, the Cafeteria was filled to capacity. Mrs. Rose Lee, manager, and her capable staff has kept the line moving and the students well fed. The staff were: Hope Yanez, Earlene Laguna, Dora Aldrete, and Mrs. Rose Lee Manager.

Coach George Clay and Bob Kelly look on as Coach Moore gives quarterback J. C. Wolf instructions in the first football game of the year.

Then we move into a mad clash with our Crims pulling a Phoenix Tech player to the ground.

Thom Blohm pulls a pass from the air and tries for the goal.

This poor Hornet just didn't have a chance as the Crim line pulled him down.

In the Calexico game, Tom Cole was down the field running for a touchdown before the Bulldogs caught on.

Yikes the Jackrabbits have lonely Richard Garcia down in the Mesa game. But it looks as if Crim Bobby Coston is running to the rescue.

Touchdown, touchdown, was probably the only word on the mind of Joe Lutes as he ran with the ball in the West Phoenix game.

Oh no! Now West High has our lonely Richard Garcia down.

Under the tutoring of Coach Bill Paul the YUHS Varsity basketball team had a full year. The Crim hoopsters traveled all over the state and into California representing YUHS. Although the varsity did not have a very good season, they gained a lot of fine experience and know-how for next year. Watch out Arizona, the Crim basketball team will be right on top next year.

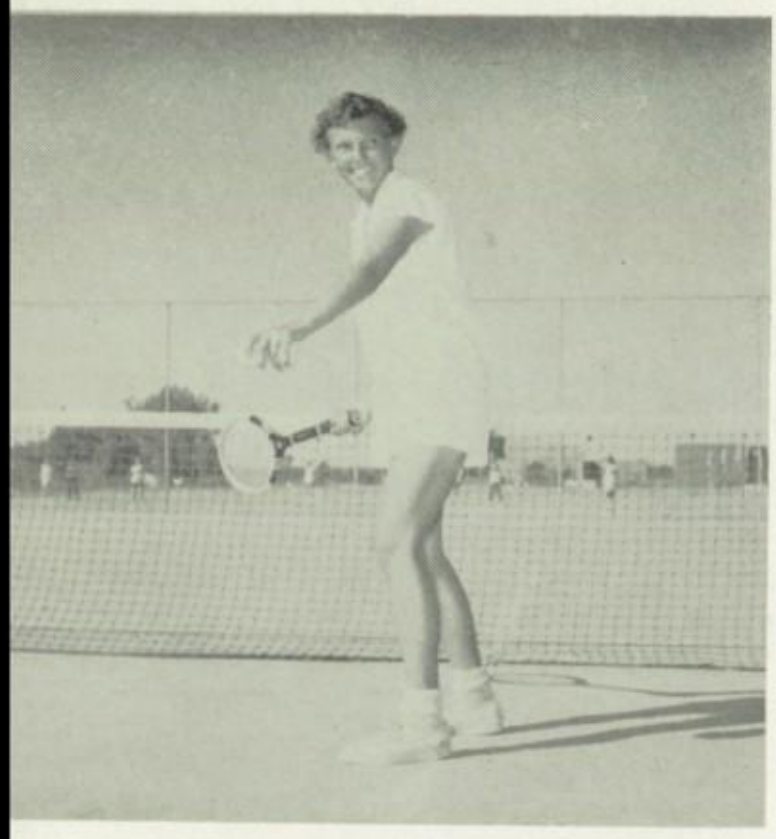
Up and Down

Below:
Darrel Fisher, Tops in Men's Tennis

Tennis, like every other sport at YUHS, takes a lot of hard practicing and time after school. It seems, rain or shine, the tireless boys' tennis team can be seen on the courts, working steadily at improving their game. To the common eye, it looks like just another sport, but to the "Crims" tennis team it is their goal of happiness and enjoyment.



The Girls' Tennis Squad are hard at work sixth period and after school working on their game. Each girl is required to play one match a week after school. The top five travel over the state competing with the other schools in Arizona. This was the last year for three of the top five "gals" —Lois Ann DuBois, Virginia Bobersky and Jo Ann Bright.

Tomorrow's Strength

The sports offered at YUHS are many. At the beginning of this year the P. E. classes started off with swimming. As cool weather crept up on Yuma the students moved into football and speed-a-way, followed by both girls' and boys' basketball.

There were usually several sports for the P. E. classes to choose from. To end a fun-packed year in P. E., the city pool offered a cool dip for the hot summer days for guys and gals taking P. E.

Marianne, (Best of Luck)

I have really enjoyed having you in P.E. and also having you ride the same bus that I do. It really has been swell knowing you all of my years in W. U. H. S. I hope I will get to see you around the old Union campus next year. We really have had a lot of fun together, although we ran all of our teachers crazy. But I really hope I can get some classes with you next year. Bridgen. Until then may God Bless and Keep you.

Hi Shorty,

You are really my best girl friend along with a few others. But no joking you are just "real gone." I just hope we have as much fun next year as we had this year.
